194

1. The Soviet Union has not intervened in Korea because it is extremely important that Asia be rehabilitated and that the immense Chinese territory be developed.
2. The United States, in the meanwhile, will not attack the Soviet Union without weighing the fact that the Soviet Union can strike at many points, even though she is endeavoring to avoid war at present.
3. The last word has not been said regarding Korea, which will depend largely on American "prudence".

This document is hereby regraded to  
CONFIDENTIAL in accordance with the  
letter of 16 October 1978 from the  
Director of Central Intelligence to the  
Archivist of the United States.

Next Review Date: 2008
